

GETTING STARTED

1

Follow the setup guide included in the Fire Stick box to connect your Fire Stick to your TV.

If you already have a fire stick set up, move to step 3.

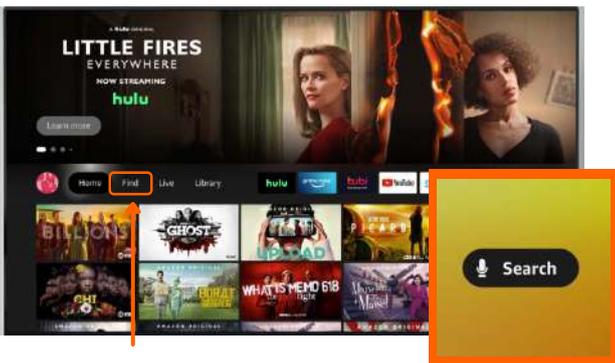

2

Once your Fire Stick is connected to your TV, complete the prompts on your TV to connect to your home WiFi and Sign-in or Sign-up to an Amazon Account.

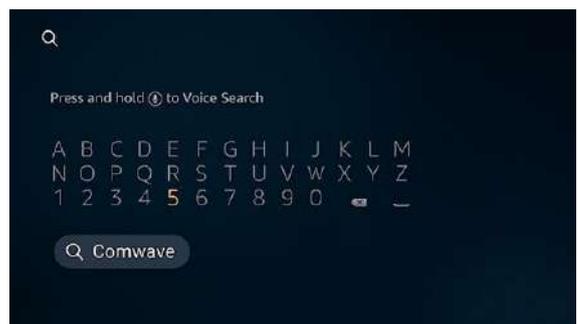

INSTALLING THE COMWAVE TV APP ON YOUR FIRE STICK DEVICE

3

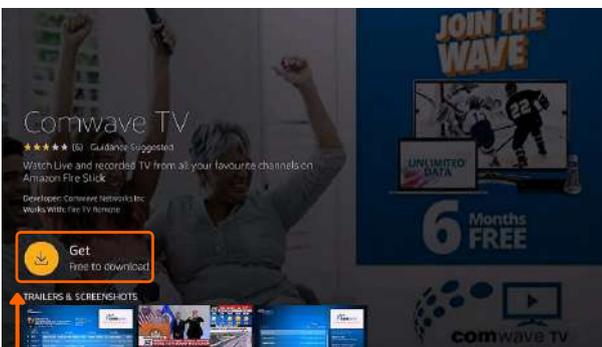

On the Home Screen of your FireTV, toggle to the **'Find'** button on the main menu. Select **'Search'** from the dropdown options.

4

On the **'Search'** screen, enter the word **'Comwave'**. Ensure you spell out the entire word for accurate results.

5

Select the Comwave TV App from search results. Once opened, select **'Get'** to start installing the App.

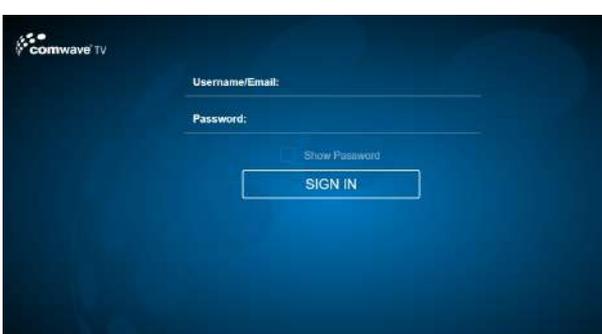

6

Once the App is installed, click **'Open'** to launch the App. Select your language preference.

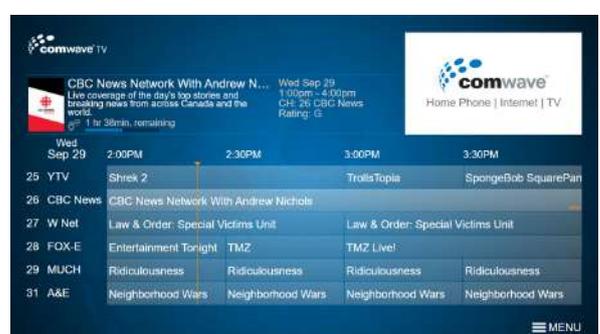

SIGNING-IN TO THE COMWAVE TV APP

7

Sign In with your ComwaveTV credentials. *These can be found in the Comwave MyAccount Portal online.
